No. SO (Coord)-1(26) WM&I /2026

COMMITTEE (GRC) AGAINST THE TECHNICAL BID EVALUATION PROCESS OF WORK TITLE "SUPPLY AND INSTALLATION OF 08 NOS. OF SOLAR PUMPING SYSTEMS IN VARIOUS DISTRICTS OF GB"

The Water Management & Irrigation Secretariat, Gilgit-Baltistan, received the application from the contractor firms, M/S Kamal Energy Tech Solution Pvt Ltd and M/S Cititek Pvt Ltd, seeking redressal of grievances raised against the technical bid evaluation process of the above-mentioned project. As per the Notification issued vide No.SO-Coord-WM&I-1(5)/2026 dated 12th March 2026, the Secretary, Water Management & Irrigation, Gilgit-Baltistan, has constituted a Grievance Redressal Committee (GRC) comprising the following officers:

i. Secretary, Water Management & Irrigation GB (Chairman)
ii. Engr.Zia-ul-Hassan, WMO WM&I District Gilgit (Member)
iii. Engr. Abdul Haseeb Sub Engineer WM&I-GB (Member)

The meeting of the Grievance Redressal Committee (GRC) was convened under the Chairmanship of the Secretary, Water Management & Irrigation GB, in his office on 23rd November, 2026. The Committee held detailed deliberations on the complaint submitted by the aggrieved bidder regarding the technical bid evaluation process of the above-mentioned work.

BACKGROUND:

The procurement committee consists of the following Members:

1. Director Water Management & Irrigation GB.	**Chairman**
2. Rep of Secretary Water Management & Irrigation GB	**Member**
3. Rep of Directorate of Water Management & Irrigation GB	**Member**
4. Rep of C&W Department GB	**Member**
5. Rep of LG&RD GB	**Member**

- Notice inviting Technical Proposals from interested firms was published through wide publicity in newspapers and on PPRA vide Notice **No. DWMI-NPECA-1(3)/2026,** dated **15th October 2026**, with PPRA Reference No. **TSE-202610153227.**
- In response to the advertisement, **06** firms submitted their technical and financial proposals to participate in the bidding process. The Procurement Committee opened the technical bids under the procurement method of "**Single Stage Two Envelope**" in the presence of the bidders.

- The Technical Bid Evaluation Report was prepared and signed by the Procurement Committee under the Director Water Management & Irrigation GB, in his capacity as Chairman of the Procurement Committee. Subsequently, the evaluation result was uploaded on PPRA under Reference No. TSE-202611063317 on 6th November, 2026.
- Out of the **06** bidders, two aggrieved bidder, namely M/S Kamal Energy Tech Solution Pvt Ltd and M/S Cititek Pvt Ltd, filed a complaint to the Chairman, GRC against the Technical Bid Evaluation Report. Consequently, the competent authority constituted the Grievance Redressal Committee (GRC) vide the above-referred notification.

PROCEEDINGS:

M/S Kamal Energy Tech Solution

On the basis of the reservations raised by the applicant, the Grievance Redressal Committee (GRC) thoroughly examined the bid documents submitted by the aggrieved bidder, M/S Kamal Energy Tech Solution, and observed the following facts and findings:

FACTS & FINDINGS:

As per the approved NIT, the bidder must secure at least 55% in each sub-category and 60% overall. The price Bids of those contractors who failed to secure the minimum qualifying marks shall be returned unopened. However, upon evaluation of the bid documents, the Grievance Redressal Committee (GRC) observed that, in personal capabilities, the marks were to be granted subject to proof of appointment of engineers/appointment letters/CVs. However, the record shows that there is no office order /appointment letter attached by the bidder. The bidder obtained 0 marks in personal capabilities out of 18 due to non-submission of the orders of the engineers. Furthermore, under equipment capabilities, it was mandatory to obtain 11 marks out of 20, whereas the record shows that the applicant obtained only 01 mark out of 20.

It is further clarified that it was mandatory to obtain overall 60 marks out of 100, while the applicant obtained only 44 marks out of 100 .

DECISION OF GRC.

- Since M/S Kamal Energy Tech Solution failed to obtain the required passing marks in equipment capabilities and in personnel capabilities and failed to qualify for further process, which is mandatory as mentioned above.
- Accordingly, the decision of the Tender Evaluation Committee to disqualify the bidder Kamal Energy Tech Solution seems justified, and the decision of the Tender Committee is hereby upheld, and the committee is allowed to conduct further necessary proceedings.

23/11/2026

M/S Cititek Pvt Ltd.

Based on the reservations raised by the applicant, the Grievance Redressal Committee (GRC) thoroughly examined the bid documents submitted by the aggrieved bidder, M/S Cititek Pvt Ltd., and observed the following facts and findings:

CamScanner

FACTS & FINDINGS:

As per the approved NIT, the bidder must secure at least 55% in each sub-category and 60% overall. The price Bids of those contractors who failed to secure the minimum qualifying marks shall be returned unopened. However, upon evaluation of the bid documents, the Grievance Redressal Committee (GRC) observed that, in the experience record the bidder was bound to submit 20 Nos of Similar Nature Work Orders of similar projects; however, the bidder submitted only 04 similar Nature projects and obtained only 04 marks out of 20, while it was mandatory to obtain 10 marks out of 20 to further qualify.

DECISION OF GRC.

- Since M/S Cititek failed to obtain the required passing marks in Experience record and failed to qualify for further processing, which is mandatory as mentioned above.
- Accordingly, the decision of the Tender Evaluation Committee to disqualify the bidder M/S Cititek Pvt Ltd seems justified, and the decision of the Tender Committee is hereby upheld, and the committee is allowed to conduct further necessary proceedings.
