No. CCF-4(6)/Tender/2026

Gilgit dated 11th September, 2026

Subject: - **CANCELLATION OF TENDER NOTICE FOR REPAIR OF
TRANSPORT UNDER REGULAR BUDGET FOR FINANCIAL
YEAR 2026-27**

It is hereby notified for information of all concerned that this office had invited sealed tenders from registered contractors, suppliers and firms of Gilgit-Baltistan vide Tender Notice dated 03-09-2026 for the Repair of Transport under the Regular Head for the Financial Year 2026-27. After scrutiny/evaluation of the bids received, the rates quoted by the various bidders were found to be irrationally high and not reasonable/justifiable in comparison with the prevailing market rates and the estimated cost. The competent authority has been pleased to cancel the tender in the public interest.

The tender process shall accordingly be treated as cancelled, and a fresh tender, if required, shall be invited separately in accordance with the applicable rules and procedures.
